DAILY

DJ CODE: 77791 (Under Filter: Category)

European Midday Briefing

Previews the U.S. markets and provides a succinct round-up of the day's EMEA major business and economic news on Dow Jones Newswires with a taste of other news to come, including columns and features.

DAILY

DJ CODE: 70737 (Under Filter: Category)

Nordic Round-Up

Twice daily summary of top company news with market reactions.

DAILY

DJ CODE: 77911 (Under Filter: Category)

Market Talk

Scrolling commentary on events affecting the European equities markets, Market Talk also tries to anticipate major market movements. Each news snippet makes its point in just a few lines and is published throughout the European trading day.

NEWS-DRIVEN

DJ CODE: 5005 (Under Filter: Category)

Data Snap

Immediately follows data release based on the latest economic indicators in any given country's economy.

Data Snap explains the following:

- The figures themselves
- How they compare to what was expected
- How they fit into the trend of previously released figures
- What they mean for financial markets
- What they mean for central bank policy

NEWS DRIVEN

DJ CODE: IEI (Under Filter: Category)

Forex Focus

This piece analyzes trends in the global foreign exchange markets, appearing at the start of each European session. Forex Focus puts the day's currency trading events into context. Aimed at providing an early-morning, forward-looking analysis for market-watchers, the column discusses overnight FX developments and events likely to affect exchange levels in the next 24 hours. The column also discusses broader issues that could impact currency dealing in the near-term, such as macroeconomic developments, technical-trading trends and international capital flows.

DAILY

DJ CODE: 1066 (Under Filter: Category)

European Equity Index Technicals

Technical chart support & resistance levels and forecasts for short-term trends for European equity indexes.

WEEKDAYS

DJ CODE: 5041 (Under Filter: Category)

Nordic Markets Technical Analysis

This piece provides pre-market short-term view for indexes on Copenhagen, Helsinki, Oslo and Stockholm bourses.

DAILY

DJ CODE: 77910 (Under Filter: Category)

DJ Eurobonds

Comment providing an outlook for the Eurobond market. Also discussing NAPM surveys and the ECB's activities, it provides an informed view of market activity and analysts' and traders' opinions on predicted market movement.

DAILY

DJ CODE: 1039 (Under Filter: Category)

Euronomics

A snapshot of the main economic news in the Euro-zone on the day of publication. It provides context, brief analysis and an assessment of the implications of the most-important economic data released, and key comments by people who shape euro-zone economic and monetary policy. Most think pieces will be grounded in the real world, using executives, companies and sectors, as well as economists and analysts, to tell the story behind the data.

WEEKLY

DJ CODE: 1110 (Under Filter: Category)

The Big Picture

Takes an in-depth look at economic cycles, trends and data, and how they affect securities markets and the leanings of the U.S. Federal Reserve. The Big Picture also examines the relationship between economic indicators and the pace of overall economic activity in the U.S. and globally.

[NEWS-DRIVEN](#)

[DJ CODE: 4082 \(Under Filter: Category\)](#)

Fed Watch

Documents where U.S. rates and monetary policy are headed. Fed Watch covers a wide-ranging discussion of news, ideas and influences that central bank watchers and markets need to know. It's published as often as warrants, depending on how much news has occurred that impacts monetary policy.

[1-2 WEEKLY](#)

[DJ CODE: 1043 \(Under Filter: Category\)](#)

The Wall Street Journal

Abreast of the Market

Concentrates on the U.S. equities market. It analyzes stock market activity focusing on large-capitalization stocks.

[DAILY](#)

[DJ CODE: 53030 \(Under Filter: Category\)](#)

Commodities Report

Commodities think piece covering global commodities and analyzing political and economic factors affecting the markets.

[DAILY](#)

[DJ CODE: 1044 \(Under Filter: Category\)](#)

Credit Markets

WSJ daily fixed-income think piece covering bonds, interest rates and fixed-income instruments.

[DAILY](#)

[DJ CODE: \(Under Filter: Category\)](#)

Heard on the Street

Centers on subjects and stocks that Wall Street professionals are talking about amongst themselves. Its content is so potentially market-moving that its subject is kept closely guarded even within Dow Jones until the moment of publication. This allows individual investors to act on the market just as quickly as the professionals.

[DAILY](#)

[DJ CODE: 5043 \(Under Filter: Category\)](#)

Barron's

Commodities Corner

Focuses on the commodities markets which serve as an excellent barometer for the economy and other markets.

SATURDAY

DJ CODE: 1114 ([Under Filter: Category](#))
