Subscription Price: The subscription price in the Rights Issue is NOK 14.00 per Offer Share (the “Subscription Price”).

Subscription Rights: The shareholders of the Company as of 4 June (and being registered as such in the VPS at the expiry of 6 June 2019 pursuant to the two days’ settlement procedure (the “Record Date”)) will be granted subscription rights (the “Subscription Rights”) in the Rights Issue that are subject to applicable law, provide preferential right to subscribe for, be allocated, Offer Shares at the Subscription Price. The Subscription Rights will be listed and tradable on the Oslo Stock Exchange from 7 June 2019 to 16:30 hours (CEST) on 19 June 2019 under the ticker code “INFRNT-T”. The subscription rights will hence only be tradable during part of the Subscription Period. Each existing shareholder will be granted two (2) subscription rights for every three (3) existing shares registered as held by the shareholder on 4 June 2019, as they appear in the Company’s shareholder register in VPS on 6 June 2019 under the ticker code “INFRNT-T”. Subscription Rights will not be issued in respect of the existing shares held in treasury by the Company. Subscription Rights acquired during the Subscription Period carry the same right to subscription as the Subscription Rights held by Existing Shareholders. Each Subscription Right will, subject to applicable securities laws, give the right to subscribe for, and be allocated, one Offer Share. Over-subscription and subscription without Subscription Rights is permitted.

Subscription Rights that are not used to subscribe for Offer Shares before the expiry of the Subscription Period (i.e. 21 June 2019 at 16:30 hours (CEST)) or sold before 19 June 2019 at 16:30 hours (CEST) will have no value and will lapse without compensation to the holder.

Allocation of Offer Shares: The Offer Shares will be allocated to the subscribers based on the allocation criteria set out in the Prospectus. The Company reserves the right to reject or reduce any subscription for Offer Shares not covered by Subscription Rights. No fractional Offer Shares will be allocated. Allocation of fewer Offer Shares than subscribed for by a subscriber will not impact on the subscriber’s obligation to pay for the number of Offer Shares allocated. Notification of allocated Offer Shares and the corresponding subscription amount to be paid by each subscriber are expected to be distributed in a letter from the VPS on or about 24 June 2019.

Payment: The payment for Offer Shares allocated to a subscriber falls due on 26 June 2019 (the “Payment Date”). By signing this Subscription Form, subscribers who have a Norwegian bank account irrevocably authorise Danske Bank (the “Settlement Agent”) to debit the bank account specified below for the subscription amount payable for the Offer Shares allocated to the subscriber. The Settlement Agent is only authorised to debit such account once, but reserves the right to make up to three debit attempts, and the authorisation will be valid for up to seven working days after the Payment Date. The subscriber furthermore authorises the Settlement Agent to obtain confirmation from the subscriber’s bank that the subscriber has the right to dispose over the specified account and that there are sufficient funds in the account to cover the payment. If there are insufficient funds in a subscriber’s bank account or if it for other reasons is impossible to debit such bank account when a debit attempt is made pursuant to the authorisation from the subscriber, the subscriber’s obligation to pay for the Offer Shares will be deemed overdue. Subscribers who do not have a Norwegian bank account must ensure that payment with cleared funds for the Offer Shares allocated to them is made on or before the Payment Date. Prior to any such payment being made, the subscriber must contact the Settlement Agent (Danske Bank) on telephone number +47 85 40 55 00 for further details and instructions.

Please note: if the Subscription Form is sent to the Manager by e-mail, the e-mail will be unsecured unless the Subscriber itself takes measures to secure it. The Subscription Form may contain sensitive information, including national identification numbers, and the Manager recommend the Subscriber to send the Subscription Form to the Manager in a secured e-mail.
