Disclaimer

This Presentation might include certain forward-looking statements relating to the business, financial performance and results of the Company and/or the industry in which it operates. Forward-looking statements relate to future circumstances and results and other statements that are not historical facts, sometimes identified by the words “believes”, “expects”, “predicts”, “intends”, “projects”, “plans”, “estimates”, “aims”, “foresees”, “anticipates”, “targets”, and similar expressions. The forward-looking statements contained in this Presentation, including assumptions, opinions and views of the Company or cited from third party sources, are solely opinions and forecasts which are subject to material risks, uncertainties and other factors that may cause actual events to differ materially from any anticipated development. Neither the Company nor any of its subsidiaries or any such person's officers or employees provide any assurance that the assumptions underlying such forward-looking statements are free from errors, nor do any of them accept any responsibility for the future accuracy of the opinions expressed in this Presentation or the actual occurrence of the forecasted developments. The Company assumes no obligation, except as required by law, to update any forward-looking statements or to conform these forward-looking statements to its actual results.

An investment in the company involves significant risk and several factors could cause the actual results, performance or achievements of the company to be materially different from any future results, performance or achievements that may be expressed or implied by statements and information in this presentation. A non-exhaustive overview of relevant risk factors that should be taken into account when considering an investment in the shares issued by the company is included in this presentation. Should one or more of these risks or uncertainties materialise, or should underlying assumptions prove incorrect, actual results may vary materially from those described in this presentation. The company does not intend, and does not assume any obligation, to update or correct the information included in this presentation.

No representation or warranty (expressed or implied) is made as to, and no reliance should be placed on, any information, including projections, estimates, targets and opinions, contained herein, and no liability whatsoever is accepted as to any errors, omissions or misstatements contained herein, and, accordingly, neither the Company nor any of its subsidiaries nor any such person’s officers or employees accepts any liability whatsoever arising directly or indirectly from the use of this Presentation. The contents of this Presentation are not to be construed as legal, business, investment or tax advice. Each recipient should consult its own legal, business, investment or tax adviser as to legal, business, investment or tax advice. By attending or receiving this Presentation you acknowledge that (i) you will be solely responsible for your own assessment of the market and the market position of the Company and that you will conduct your own analysis and be solely responsible for forming your own view of the potential future performance of the Company’s business, (ii) if you are a U.S. person, you are a QIB (as defined below), and (iii) if you are a non-U.S. person, you are a Qualified Investor or a Relevant Person (as defined below).

This Presentation does not constitute an offer to sell, or a solicitation of an offer to buy, any securities in any jurisdiction or to any person in which or to whom it is unlawful to make such an offer or solicitation. The distribution of this Presentation and the offering, subscription, purchase or sale of securities issued by the Company are in certain jurisdictions restricted by law. Persons into whose possession this Presentation may come are required by the Company to inform themselves about, and to comply with, all applicable laws and regulations in force in any jurisdiction in or from which it invests in the securities issued by the Company or receives or possesses this Presentation and must obtain any consent, approval or permission required under the laws and regulations in force in such jurisdiction. The Company shall not have any responsibility or liability whatsoever for these obligations.

1) ARR = annual recurring revenue; revenue based on subscriptions amount to 97% of total Group revenue in the period. Calculation for Q3 2019 based on inclusion of vwd Group from 17 July 2019.
Successfully completed the vwd Group acquisition in July 2019

- Completed on 17 July 2019 and consolidated from that date
- Final purchase price of EUR ~130 million on an enterprise value basis
- Financed through issue of a four-year EUR 105 million bond\(^1\) in April and an oversubscribed NOK 242 million rights issue in June 2019
- Reporting currency changed to EUR from NOK
- Segment reporting adjusted to reflect new group structure:
  - Infront Solutions and Terminal
  - vwd Group
  - News and Other

\(^1\) Senior secured bond with EUR 200m maximum borrowing limit and a floating coupon of 3m EURiBOR + 5.75% p.a.. Final maturity of the instrument is 15 May 2023.
Creating the leading European provider of financial market data

• Diversified revenue base with ~91,000 professional users, ~3,600 customers, broader product offering and more markets
• Highly complementary operations with significant cross- and upselling opportunities
• Exposure to the growing regulatory technology segment as well as the wealth and asset management market
• More than 500 employees in 13 countries
• Platform for growth across Europe and in other markets

1) EMEA financial data terminal market
Integration process underway and initial synergies realized

- Integration work ongoing with focus on efficient transition to joint product platform and combination of services and processes
  - Technology platform, organization, products and services
- Consolidation of data feeds and licenses according to plan
  - Annual cost savings of EUR 2 million expected to be realized over the initial 12 months from optimization efforts
  - Additionally, EUR 0.5m in other short-term Opex savings
  - Good traction in efforts and progress as envisaged
- Further estimated EUR 6.0-8.5 million in total cost savings to be achieved over the next 24-36 months
  - Additional operational efficiencies and scaling from strengthened position and product offering, and expanded reach in Europe

**Total annual savings potential of EUR 8.5-11m identified**

* Annualized value of realized savings as per Q3 2019
Status update on key integration processes

Sales and marketing

• Focus on potential for up- and cross-selling on the expanded customer base

• Started marketing Infront Professional Terminal to vwd customers in Q3 2019
  • First contract signed in October
  • Strong reception in market and growing sales pipeline

• Geographic expansion creates new growth opportunities for the news business
  • Preparing to expand current services portfolio into new markets

Technology and products

• Integrating products and solutions to fully leverage breadth of data sources, services and the extended geographical reach

• Combining the strengths of our solutions will enable Infront to compete across asset-classes

• Infront solutions and products prepared for group-wide development
  • Infront Web Toolkit
  • GPRV charts
  • Other key web components
Acquisitions are the main driver for user and revenue growth

- Solutions and Terminal YoY driven by inclusion of Infront Italia and organic growth
- Vwd Group included from 17 July
- News and Other revenue reflects reduced sales in non-core business and NOK/SEK headwinds

---

\(^1\) vwd’s Professional terminals users represent mainly users of vwd Market Manager and Investment Manager. Professional PMS users represent users of vwd Portfolio and Advisory Management Systems. The “Other Solutions” mainly include light weighted users of other smaller trading solutions.
FINANCIAL REVIEW
Q3 2019 financial highlights

- **Revenue at EUR 25.3 million, up 256% from EUR 7.1 million in Q3 2018**
  - 25% of Q3 2019 revenue was recognized in foreign currency
  - 97% was recurring subscription revenue, with ARR\(^1\) at end of quarter of EUR 100m+

- **Adjusted EBITDA\(^2\) of EUR 2.9 million compared to EUR 1.2 million in Q3 2018**
  - Adj. EBITDA before IFRS 16 implementation EUR 2.3 million

- **Adjusted EBITDA margin of 11.4% compared to 16.2% in Q3 2018**
  - Margin decrease reflects product development and organizational investments for future growth

---

\(^1\) ARR = Annual Recurring Revenue

\(^2\) EBITDA Q3 2019 adjusted for M&A-related costs of EUR 3.8 million. Adj. EBITDA margin Q3 2019 before IFRS 16 implementation at 9.2%
EBITDA driven by M&A, temporary margin-decline reflects investments

- Revenue growth driven mainly by acquisitions of Infront Italia and vwd, but also organic growth, price increases and growth in retail trading solutions.
- YoY decline in gross margin reflects inclusion of Infront Italia and vwd.
- Increase in adjusted Opex reflects Infront Italia and vwd, as well as higher personnel costs across the group to support future growth.
- Adjusted EBITDA increased by 150% YoY (incl. IFRS16 effects) following the acquisitions and synergy effects across the group.
- Infront Italia and vwd synergy capture on track with consolidation of data feeds and licenses expected to yield EUR 0.7m and EUR 2.0m respectively in annual cost savings. Additional operational improvements expected to yield further min. EUR 6.0m in annual cost savings over the next 24-36 months.

1) Adjusted for M&A-related costs incurred
2) Adjusted EBITDA of EUR 2.3m and adjusted EBITDA margin of 9.2% in Q3 2019 before IFRS 16 implementation, the IFRS 16 effects positively impacted Q3 2019 Opex by EUR 0.6m.
Acquisition driving revenue growth across regions and segments

- **DACH**: Revenue from new markets and subsidiaries in Germany (D), Austria (A) and Switzerland (CH) following recent acquisition of vwd Group

- **Nordic Region**: Stable underlying revenue. Q3 2019 and the previous quarter impacted by timing of recognition of EUR 0.3 million accrued revenue. Adjusted for this effect the Q2 and Q3 2019 revenue would both have been EUR 6.7m

- **Other regions**: Revenue of EUR 6.2 million, up from EUR 0.6 million in Q3 2018 driven by inclusion of Infront Italia and vwd

- **Revenue per Segment**: Terminal and Solutions revenue increased 64% YoY due to the Infront Italia and vwd acquisitions, organic growth and new Infront Web Technology sales. News and Other non-core business down 7%. vwd segment represents acquired revenue in Q3.
Cash position remains solid following the acquisition of vwd Group

- **Operating CF: EUR -1.2 million**
  Reflecting loss before tax of EUR 9.5 million, including acquisition-related costs of EUR 2.6 million

- **Investing CF: EUR -121.4 million**
  Mainly reflecting the EUR 130.6 million paid for vwd and EUR 2.7 million of other investments, partly offset the cash balance acquired in vwd of EUR 12.9 million

- **Financing CF: EUR +127.2 million**
  Mainly net proceeds from the equity- and bond issues of EUR 23.4 million and EUR 102.3 million, respectively

- **End of the period cash position**: EUR 13.9 million
Summary

• Leading European position secured with acquisitions of vwd Group and Infront Italia
• Focus going forward on integration and synergy capture
• 97% recurring subscription revenue base with ARR of EUR 100m+ per Q4 2019
• Solid sales pipeline in all regions and potential from up- and cross-selling supports long-term organic growth ambition
• Potential for further attractive M&A opportunities
